- Confidentiality

The **STUDENT** agrees to maintain the confidentiality of any scientific, technical or other information, whatever the medium, as well as of any product, sample, compound, biological matter, devices, system, software or any other item that is not in the public domain, methodologies and know-how that he could be aware of during his stay within the **RESEARCH LAB**. The **STUDENT** also agrees to consider the **INTERNSHIP’S** results as confidential.

The above-mentioned undertakings shall apply for the whole of the **STUDENT’S** stay within the **RESEARCH LAB** and shall remain applicable for five (5) years after the expiration of this undertaking.

Endorsement 2 cancels and replaces Article 10

- Intellectual Property

The **STUDENT** acknowledges that the information whatever the medium, as well as any product, sample, compound, biological matter, devices, system, software or any other item that is not in the public domain, provided by the **RESEARCH LAB**, as well as the results of the **INTERNSHIP** are the full property of **RESEARCH LAB**.

The **STUDENT** acknowledges that he acquires, as a result of his stay within the **RESEARCH LAB**, no industrial or commercial property right over the results of the **INTERNSHIP**, over any material, know-how and expertise of the **RESEARCH LAB**, including those not published, and agrees not to remove from the **RESEARCH LAB** any equipment (including biological material) or copy of lab books without the **RESEARCH LAB** manager’s prior and written consent.

The above provisions shall apply for the whole stay of the **STUDENT** within the **RESEARCH LAB** and shall remain effective five (5) years after the expiration here of, or as long as an industrial property procedure justifies so.

- Publication

The **STUDENT** also acknowledges that he shall not publish or disclose, in writing or verbally, anything related to the research carried out within the **RESEARCH LAB**, without the **RESEARCH LAB** manager’s prior and written authorization, or as needed, that of his designated representative. Such an authorization shall be granted subject to the interests of the **RESEARCH LAB**, in accordance with possible agreements entered into with third partners, and to the extent such publications do not constitute disclosure.

The **STUDENT** agrees that such publications and disclosures shall formally mention the names of the authors, of the **RESEARCH LAB** and of **CNRS**.

The undertakings specified above shall apply during the terms of the stay within the **RESEARCH LAB** and shall remain effective for five (5) years after the expiration of this undertaking.
